

## Quality Alert 25-99 New Design Processes

### What has happened?

You may have noticed we have been renumbering and reviewing our Design Processes, under the DE workstream on The MWHT Way. This is now completed for a number of documents and the changes are listed below.

### DE01 – Now Design Proposals

New Document Reference	Old Document Reference	Notes
<b>DEPD01-01 Design Proposals</b>	DEPD02-01 Design Initiation, planning and review	Major review of process.
<b>N/A Document OBSOLETE</b>	DEFR01-02 Schedule of Design Deliverables (SDD) Template / DEFR01-02a Severn Trent Schedule of Design Deliverables (SDD) and Tender Price Schedule (TPS) Template	The information contained in these forms will be recorded within IFS as part of the new WBS.
<b>N/A Document OBSOLETE</b>	DEFR01-04 Design Budget Estimating Sheet	
<b>N/A Document OBSOLETE</b>	DEFR01-05 Detailed Design Deliverables Template	
<b>N/A Document OBSOLETE</b>	DEFR01-06 Outline Design Schedule	

### DE02 – Now Design Management

New Document Reference	Old Document Reference	Notes
<b>DEPD02-01 Design Management</b>	DEPD01-01 Design Management	Major review of process.
<b>Forms</b>		
<b>DEFR02-01 Design Management Plan</b>	DEFR01-01 Design Management Plan	Major review of the template including Sustainability considerations.
<b>DEFR01-01A STW Region - Design Management Plan</b>	DEFR01-01 Design Management Plan	There is no longer a derogation for Severn Trent from the standard DMP.
<b>DEFR02-02 BIM Execution Plan</b>	DEFR01-03 BIM Execution Plan	
<b>DEFR02-03 BIM Autodesk 360 Project Setup Form</b>	DEFR01-07 BIM Autodesk 360 Project Setup Form	

<b>DEFR02-04 Engineering Design Progress Report</b>	DEFR01-08 Engineering Design Progress Report	
<b>DEFR02-05 Project Initiation Review</b>	DEFR01-09 Project Initiation Review	
<b>DEFR02-06 Design Project Handover Checklist</b>	DEFR01-10 Design Project Handover Checklist	
<b>DEFR02-07 Constructability Review Report</b>	DEFR01-11 Constructability Review Report	DEFR02-07 in approval
<b>Guidance</b>		
<b>DEGD02-01 Initial Design Meeting Agenda</b>	DEGD02-01 Initial Design Meeting Agenda	
<b>DEGD02-02 Design Review Meeting Agenda</b>	DEGD01-01 Design Review Meeting Agenda	
<b>DEGD02-03 Value Engineering</b>	DEGD01-02 Value Engineering	

## DE06 – Now Obsolete

<b>New Document Reference</b>	<b>Old Document Reference</b>	<b>Notes</b>
<b>CDPD24-01 Temporary Works</b>	DEPD06-01 Temporary Works Identification and Design	All information in DEPD06-01 has now been captured in CDPD24-01 Temporary Works
<b>CDGD24-02 Temporary Works Identification and Categorisation</b>	DEGD06-01 Temporary Works Identification and Categorisation	

**Note:** Work is still ongoing for to create some new and update some existing processes.

### What Actions need to be taken?

Thoroughly review the new Design Processes, Forms and Guidance on The MWHT Way. If you have any questions please reach out to your Engineering Manager / Lead or Quality Manager.

### Who does this apply to?

All Engineers and Design Managers
