

# Life Saving Essentials

## We care about your Safety

### Electrical Works Checklist

#### Person

- Are you fit and well?
- Are you competent and appointed for your role (AE,AP)?
- Do you have the correct PPE (full FR,ARC)?
- Have you attended the Start of shift briefing?

#### Planning

- Electrical Permit to work in place?
- LOTO system in place?
- Stored energy considered?
- Required isolations agreed?

#### Equipment/Tools

- Inspected and calibrated?
- Insulated and safe to use?
- No fixed blade knives.

#### Workplace

- Access and egress restricted?
- Are live works required?
- Process hazards assessed.

**Only start if you have the right Person, Equipment/Tools, Planning and Workplace**
